Scholarship Requirements:

1- Please write a 1000 words essay answering the following:

In American society, groups that clearly articulate their identity and who they are, participate consistently in civic life, and educate others through service are more likely to be accurately understood, fairly represented, and taken seriously in public discourse. How has your understanding of your identity shaped your approach to leadership and service and how can these principles shape the experience and future of Copts in the United States?

2- Please attach a list of community service performed by applicant.

3- Please attach your final 2024-2025 school year report card & most recent 2025-2026 school year report card.

4- Please list any special skills, achievements, recognition, and awards received by applicant.
